

FATHER PAUL KEENAN 1946 - 2008

Fr. Paul Keenan, one of the hosts of the Catholic Channel on Sirius Satellite Radio, passed away suddenly on Monday. This is the notice on the website:

Father Paul Keenan, a member of our family as the host of As You Think and Musical Weekend, went to the Lord on June 9. All of us at The Catholic Channel are deeply saddened, but find comfort in Father Paul's own words, which we feel exemplify his life as a priest and his love of radio:

"You can live a soulful life, one that is full of joy, hope, inspiration – a life where you love what you do and do what you love."

Please keep Fr. Paul, and his family and loved ones, in your prayers

I just turned my radio on at the end of Lino's show and could not believe my ears. I was not happy when Father's show was moved. I enjoyed his wisdom every night on my way home and called him many times. I am very sad over this news. I feel like he was a really great friend and I am going to miss him so very much. This has still not real to me. I will be praying for you Father Paul.
